

endiem

POWERING SUCCESS Salesforce partner for the energy industry

Core Competencies

Salesforce Discovery

Understanding where you are now and where you need to get to, in order to present the best routes to take you directly there

Salesforce Strategy

Building the plan to bring together your people, processes, and technologies, creating a strategy that meets your needs

Salesforce Implementation

Mapping the technology to your processes, all to help improve efficiency, quality, margins, and resource capacity

Salesforce Development

Designing, building, testing, and deploying custom solutions that will scale as fast as your business

Past Performance

Since 2012, Endiem has delivered successful projects to the leading players in Energy, FinServ, Manufacturing, Construction and beyond.

Differentiators

Our customers work with us as we exemplify trust, business understanding, specialization, maturity, respect, and customer focus
